The Honourable F. W. Johnson
Lieutenant Governor
Province of Saskatchewan

Sir:

I have the honour to submit herewith the fifty-eighth Annual Report of the Public Service Superannuation Board, together with the financial statements, for the fiscal year ending March 31, 1985, pursuant to the provisions of Section 69 of The Public Service Superannuation Act.

Respectfully submitted,

Myles Morin
Minister in Charge
Public Service

The Honourable Myles Morin
Minister in Charge
Public Service Superannuation Board
Regina, Saskatchewan

Sir:

On behalf of the Public Service Superannuation Board, I have the honour to present herewith the Fifty-Eighth Annual Report of the Public Service Superannuation Board for the fiscal year ended March 31, 1985.

Respectfully submitted,

Brian Smith

Brian Smith
Chairman

# The Public Service Superannuation Board

## Objective

The primary objective of the Board is to provide superannuation allowances to employees who retire and to the dependants of deceased superannuates and employees, in accordance with the The Public Service Superannuation Act.

### Contributions and Payments

During the fiscal year ended March 31, 1985 employees' contributions to the superannuation plan amounted to $14,027,166.

Allowances paid during the year to superannuates, and to the spouses and children of deceased superannuates and employees, amounted to $33,269,353.

Refunds of contributions and interest paid with respect to employees amounted to $2,930,410. A Government employer's contribution amounting to $471,608 was paid with respect to employees who transferred to a pension plan under the terms of reciprocal agreements.

During the year, employees contributed $15,106 to the Employees' Savings Account. Refunds of contributions and interest and retirement allowances paid with respect to employees amounted to $67,201. A Government matching contribution amounting to $64,020 was paid with respect to employees under the Employees' Savings Account who retired or died in service.

Details of the financial transactions of the Board with respect to the Consolidated Fund, the Anti-Tuberculosis Superannuation Fund and the Saskatchewan Transportation Company Employees Superannuation Fund are contained in the Financial Statements included in this report.

### Retirements and Deaths

Seven hundred and twenty-eight employees retired during the fiscal year:

| | | |
|---|---|---|
| Table 1 | Employees retired having attained age 65 | 87 |
| Table 2 | Employees retired at their option after age 60 — reduced allowance | 4 |
| Table 3 | Employees retired at their option after age 60 — no reduction | 10 |
| Table 4 | Employees retired at their option with 35 years service | 4 |
| Table 5 | Optional retirement with reduced pension after age 55 with minimum 30 years service | 1 |
| Table 6 | Employees retired on the grounds of ill health | 2 |
| Table 7 | Employees granted deferred allowances | 21 |
| Table 8 | Lump sum payment to employees attaining age 65, being contributors to the Employees' Savings Account | 12 |
| Table 9 | Lump sum payment to employees retired on the grounds of ill health, being contributors to the Employees' Savings Account | 1 |
| Table 10 | Employees retired under the Early Retirement Program | 583 |
| | **Total** | 728 |

During the year 26 employees, 78 superannuates and 23 spouses receiving an allowance died. A superannuation allowance was granted to 47 spouses of the deceased superannuated employees. In the remaining cases, there were no beneficiaries. (See tables 11 and 12)

A superannuation allowance was granted to sixteen spouses and five children under age 18, with respect to the deceased employees. In the remaining cases, where no allowance was payable, the deceased employees' contributions and interest were refunded or a double refund was paid as provided for under the Act.

Seventeen employees who terminated under the Public Service Superannuation Plan exercised their option to transfer their service and contributions to other public service plans under reciprocal agreements. (See Table 13).

**Legislation**

Legislation was passed during the year to provide supplementary allowances to increase the superannuation allowances being paid to superannuated employees, spouses and children, effective May 1, 1984.

Superannuated employees in receipt of a pension at January 1,1984 received a supplementary allowance of $13.00 per year of service; spouses of deceased superannuates and employees received $7.80 per year of service.

In 1984, the government introduced a successful early retirement program. The program offered eligible employees a $250 per month bridge benefit, severance pay of one day for each year of service and retirement without reduced benefits if age and service requirements were met.

**Administration**

The Board, which consists of three members appointed by the Lieutenant Governor in Council, is responsible for the administration of The Public Service Superannuation Act.

The Public Employees Benefits Agency has responsibilty for the operation, administration and management of several superannuation plans and other employee benefits programs. Administration of the Public Service Superannuation Plan, the Anti-Tuberculosis Superannuation Plan and the Saskatchewan Transportation Company Employees Superannuation Plan is carried out by this Agency.

The Board extends its appreciation to the diligent staff of the Agency responsible for the day to day administration and accounting requirements of the Public Service Superannuation Plan and to all government departments and agencies for their co-operation and assistance during the year.

The Board wishes also to acknowledge the years of service and leadership provided to the Plan by Allan Palmer. Allan resigned as Chairman of the Public Service Superannuation Board shortly after the end of the fiscal year.

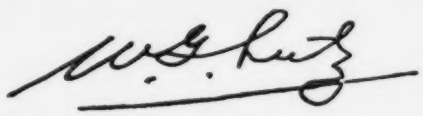
## Auditor's Report

To the Members of the Legislative Assembly
Province of Saskatchewan

I have examined the schedules of receipts and payments and employees' accumulated contributions of the Public Service Superannuation Plan and the Employees' Savings Account administered by the Public Service Superannuation Board for the year ended March 31, 1985. These schedules are prepared pursuant to the requirements of section 69(2) of The Public Service Superannuation Act. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these schedules present fairly the receipts and payments and the changes in employees' accumulated contributions of the Public Service Superannuation Plan and the Employees' Savings Account for the year ended March 31, 1985 in accordance with the disclosed basis of accounting applied on a basis consistent with that of the preceding year.



Regina, Saskatchewan,
August 6, 1985.

W. G. Lutz, F.C.A.,
Provincial Auditor.

(See accompanying notes to the schedules)

# Public Service Superannuation Board
# Notes to the Schedules
**March 31, 1985**

**1. Schedules of Receipts and Payments and Employees' Accumulated Contributions**

Section 69 of The Public Service Superannuation Act requires the preparation of a report which itemizes contributions received from employees, allowances paid to superannuates and refunds of contributions. These reports are presented as the Schedules of Receipts and Payments and the Schedules of Employees' Accumulated Contributions.

**a) Schedules of Receipts and Payments**

In accordance with the provisions of Section 40 of The Public Service Superannuation Act, all funds received (paid) by the Board are recorded as revenue (expenditure) of the Consolidated Fund of the Province. No funds are set aside for the payment of future benefits (see Note 6).

**b) Schedules of Employees' Accumulated Contributions**

The Schedules of Employees' Accumulated Contributions present, in summary form, an accounting of the changes that have occurred during the year in the cumulative contributions of all employees of the Provincial Government and related agencies who are registered under the provisions of The Public Service Superannuation Act. In the case of the Public Service Superannuation Plan, these employees are not yet in receipt of allowances under the Act. For the Employees' Savings Account, these employees have not yet received a refund of contributions.

The balance of the employees' accumulated contributions does not include any accrued interest thereon which may be payable to or on behalf of the employee upon his termination or retirement. Interest provided for in the Act is calculated and paid by the Board when terminating employees withdraw their accumulated contributions from the Plans.

**2. Accounting Policy**

The accounts are maintained on a cash basis of accounting with the following modifications:

(i) Amounts received in the month of April which apply to the preceding fiscal year are recorded as received in the preceding fiscal year.

(ii) Disbursements made in the month of April which apply to the preceding fiscal year are recorded as paid in the preceding fiscal year.

**3. Public Service Superannuation Plan**

Members of The Public Service Superannuation Plan include those public service employees who were employed prior to October 1, 1977 and did not elect to transfer to the Public Employees' (Government Contributory) Superannuation Plan prior to October 1, 1978.

**4. Employees' Savings Account**

For those employees who were ineligible to contribute to the Public Service Superannuation Plan because of age restrictions upon commencement of employment, section 48 of The Public Service Superannuation Act permits them to contribute to the Employees' Savings Account. Upon retirement, the employee receives, in lieu of a retirement pension, his contributions with accrued interest together with an amount equal to his accumulated contributions and interest.

**5. Related Party Transactions**

In accordance with section 3(3) of The Public Service Superannuation Act, all general administrative and employee costs required for the administration of the Board are paid out of the Consolidated Fund of the Province of Saskatchewan. Accordingly, no provision for these costs is included in these schedules.

### 6. Actuarial Valuation of the Superannuation Plan

The Public Service Superannuation Act states that the Province is responsible for providing out of its Consolidated Fund, the funds required to meet the present and future payments called for by the Plan. An actuarial valuation of the Public Service Superannuation Plan was carried out as at March 31, 1983. It indicated that the unfunded liability of the Plan, using the accrued benefit actuarial cost method, is estimated to be approximately $992,489,000 for service to the valuation date.

### 7. Integration of the Canada Pension Plan

The Canada Pension Plan is considered to be integrated with the Public Service Superannuation Plan in the calculation of superannuation allowances and in making payroll deductions for superannuation contribution purposes. Although the Plans are integrated for the foregoing purposes, the accompanying financial schedules do not reflect the employees' contributions to the Canada Pension Plan nor the allowances paid to superannuates by the Canada Pension Plan.

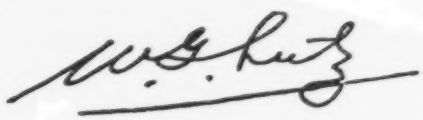
## Auditor's Report

To the Members of the Legislative Assembly
Province of Saskatchewan

I have examined the balance sheet of the Saskatchewan Transportation Company Employees Superannuation Fund as at March 31, 1985, and the statement of accumulated fund balance for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the fund as at March 31, 1985, and the results of its operations for the year then ended in accordance with the disclosed basis of accounting applied on a basis consistent with that of the preceding year.



Regina, Saskatchewan,
July 10, 1985.

W. G. Lutz, F.C.A.,
Provincial Auditor.

# Saskatchewan Transportation Company Employees Superannuation Fund
# Notes to Financial Statements
**March 31, 1985**

## 1. Significant Accounting Policies

### a) Investments

Investments are recorded at cost. Differences between cost and par value of debentures are not amortized. Discounts on coupons are amortized on a yield basis to maturity date.

Any gain or loss realized upon the sale of investments is recognized in the period in which the sale took place.

### b) Basis of Accounting

The accounts are maintained on an accrual basis of accounting.

## 2. Description of the Fund

The Saskatchewan Transportation Company Employees Superannuation Fund was established under provisions of an amendment to The Public Service Superannuation Act, effective April 1, 1981, and is administered by the Public Service Superannuation Board. Employees of the Saskatchewan Transportation Company on March 31, 1981, are deemed to be employees of the Public Service for purposes of The Public Service Superannuation Act. For those employees deemed to be Public Service Employees, contributions are made to the fund and correspondingly refunds, transfers and retirement benefits are paid from the fund, all in accordance with the provisions of The Public Service Superannuation Act.

## 3. Accumulated Fund Balance

The accumulated fund balance is composed of the employees accumulated contributions and the unallocated fund balance.

### Unallocated Fund Balance

This is comprised of:

i) the accumulated contributions made by all superannuates to the fund;

ii) investment earnings; and

iii) accumulated contributions to the fund by the Saskatchewan Transportation Company

reduced by:

i) retirement allowances paid to superannuated employees; and

ii) interest paid upon withdrawal or transfer of employee contributions from the fund.

### Employees' Accumulated Contributions

This represents the accumulated amounts that have been contributed by current company employees to the fund at year end. This sum does not represent the accrued value of retirement benefits earned by these employees since retirement benefits are based on years of service and salary levels.

## 4. Related Party Transactions

The Fund is administered by the Public Employees Benefits Agency. In accordance with Section 3(3) of The Public Service Superannuation Act, the costs to administer the fund are borne by the consolidated fund of the province and are not reflected in the accompanying financial statements.

## 5. Unfunded Liability

Benefits provided under The Public Service Superannuation Act and paid from The Saskatchewan Transportation Company Employees Superannuation Fund are considered to be defined benefit final average pensions.

An actuarial valuation was performed on this Fund as at March 31, 1984. The valuation indicated that using the accrued benefit actuarial cost method, the present value of accumulated benefits resulting from services provided to the valuation date was $13.9 million with an existing asset valuation of $10.1 million based on book values, for a net unfunded actuarial liability of $3.8 million at March 31, 1984. The Consolidated Fund is obligated to fund any deficiency to meet retirement benefits and withdrawals.

## Auditor's Report

To the Members of the Legislative Assembly
Province of Saskatchewan

I have examined the balance sheet of the Anti-Tuberculosis League Employees Superannuation Fund as at March 31, 1985 and the statement of accumulated fund balance for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the fund as at March 31, 1985 and the results of its operations for the year then ended in accordance with the disclosed basis of accounting applied on a basis consistent with that of the preceding year.

Regina, Saskatchewan,
July 10, 1985.

W. G. Lutz, F.C.A.,
Provincial Auditor.

# Anti-Tuberculosis League Employees Superannuation Fund
# Notes to Financial Statements
**Year Ended March 31, 1985**

## 1. Significant Accounting Policy

**Investments**

Investments are recorded at cost. Differences between cost and par value are not amortized. Any gain or loss realized upon the sale of investments is recognized in the period in which the sale took place.

## 2. Description of the Fund

The Anti-Tuberculosis League Employees Superannuation Fund was established under provisions of an amendment to The Public Service Superannuation Act, effective April 1, 1979. Employees of the Saskatchewan Anti-Tuberculosis League on March 31, 1979 are deemed to be employees of the Public Service for purposes of The Public Service Superannuation Act unless an election was made prior to April 1, 1980 to participate in the Public Employees (Government Contributory) Superannuation Plan.

## 3. Accumulated Fund Balance

The accumulated fund balance is composed of the employees accumulated contributions and the unallocated fund balance.

**Unallocated Fund Balance**

This is comprised of:

i) the balance of all amounts contributed by former League employees who themselves or whose beneficiaries are or were receiving allowances;

ii) all amounts contributed by the employer and;

iii) investment earnings;

reduced by:

i) allowances paid to superannuates and;

ii) interest on contributions refunded to members who have resigned.

**Employees' Accumulated Contributions**

This amount represents the accumulated amounts that have been contributed to the Fund by current League employees or former employees who are not yet in receipt of benefits.

## 4. Related Party Transactions

The Fund is administered by the Public Employees Benefits Agency. In accordance with Section 3(3) of The Public Service Superannuation Act, the costs to administer the fund are borne by the Consolidated Fund of the Province and are not reflected in the accompanying financial statements.

## 5. Unfunded Liability

Pensions paid from the Anti-Tuberculosis League Employees Superannuation Fund under The Public Service Superannuation Act are considered to be defined benefit final average pensions.

An actuarial valuation performed on this fund as at March 31, 1984 indicated that, using the accrued benefit actuarial cost method, the present value of accumulated benefits resulting from service provided to valuation date was $6.5 million. This amount, less the asset valuation of $5.3 million based on book values, resulted in a net unfunded actuarial liability of $1.2 million at March 31, 1984. The Consolidated Fund is obligated to fund any deficiency to meet retirement benefits and withdrawals.

Schedule 1
